Till The World Ends

I See Stars

This kitten got your tongue tied in knots, I see
Spit it out 'cause I'm dying for company
I notice that you got it, you notice that I want it
You know that I can take it to the next level baby
If you want this good shit
Sicker than the remix
Baby let me blow your mind tonight
I can't take it, take it, take no more
Never felt like, felt like this before
C'mon get me, get me on the floor
DJ what you, what you waitin' for?
Watch me move when I lose, when I lose it hard
Get you off with the touch dancin' in the dark
You notice what I'm wearing, I noticin' you're staring
You know that I can take it to the next level baby
Hotter than the A-list
Next one on my hit list

Baby let me blow your mind tonight
I can't take it, take it, take no more
Never felt like, felt like this before
C'mon get me, get me on the floor
DJ what you, what you waitin' for?
See the sunlight, we ain't stoppin'
Keep on dancing till the world ends
If you feel it, let it happen
Keep on dancing till the world ends
Keep on dancing till the world ends
Keep on dancing till the world ends
See the sunlight, we ain't stoppin'
Keep on dancing till the world ends
If you feel it let it happen
Keep on dancing till the world ends
