Feed My Frankenstein

Alice Cooper

Well, I ain't evil, I'm just good lookin'
Start a little fire and baby, start cookin'
I'm a hungry man but I don't want pizza
I'll blow down your house and then I'm gonna eat yaBring you to a simmer, right on time
Run my greasy fingers up your greasy spineFeed my Frankenstein, meet my libido
He's a psycho, feed my Frankenstein
Hungry for love and it's feeding timeYou don't want to talk, so baby, shut up
And let me drink the wine from your fur tea cup
Velcro candy, sticky sweet
Make my tattoos melt in the heatWell, I ain't no veggie like my flesh on the bone
Alive and lickin' on your ice cream coneFeed my Frankenstein, meet my libido
He's a psycho, feed my Frankenstein
Hungry for love and it's feeding time
