

# HEAL

## Strand of Oaks

Don't forget me, bring me down  
Don't let me promise you  
Things I cannot do  
This infection adds to my collection  
Hoard my pain  
And show it to you one day  
You alone indeed, you sing so adamantly  
And it fills my mind with thoughts so fine  
Don't ask too much of me oh  
Heal me now, heal me now  
Heal me now, heal me now  
Don't erase me cut me out replace me  
I'm still here I'm not going anywhere  
You alone indeed you sing so adamantly  
Let it free what ever is locked inside  
Don't ask too much of me  
Heal me now, heal me now  
Heal me now, heal me now
