(Baby I've Got You) On My Mind

Powderfinger

Baby, I've got you on my mind
Honey, you won't ever know
How much I need you by my side
Promise you won't ever go
I won't take no from you this time
'Cause baby, I've got you on my mindYeah, honey I've got to show
(I won't wait for another day)
Just what I can do
(My heart died when you loosed the chains)
Because I think I know
(I won't wait for another day)
What you're going through
(My heart died when you loosed the chains)I hope you feel it the way I feel it
I hope you feel it the way I feel it too
I feel it tooSo if I had this all my way
Honey, you won't ever know
I'd be there through every night and day
Promise you won't ever go
I won't hold back from you this time
'Cause baby, I've got you on my mindYeah, honey I've got to show
(I won't wait for another day)
Just what I can do
(My heart died when you loosed the chains)
Because I think I know
(I won't wait for another day)
What you're going through
(My heart died when you loosed the chains)I hope you feel it the way I feel it
I hope you feel it the way I feel it too'Cause baby, I've got you on my mind
I won't take no from you this time
How much I need from your side
'Cause baby, I've got you on my mind
On my mindI tell you I won't wait for another day
My heart died when you loosed the chains
I won't wait for another day
My heart died when you loosed the chainsI've got you, I've got you on my mind
I've got you, I've got you on my mind
I've got you, I've got you on my mind
I've got you, I've got you on my mind
Yeah, honey I've got to show
