

Look at Me

[Geri Halliwell](#)

Good looking, bad tasting
Full bodied, butt wasted
Loose living, tight fitting
What you see ain't what you are getting Big make up, little break up
She wants it, he's got it
Cold blooded, hot gossip
Superficial expectations Look at me, you can take it all
Because this face is free
Maybe next time use your eyes and look at me
I'm a drama queen if that's your thing
Baby, I can even do reality Fake honey, real plastic
Stupid cupid, fantastic
Queer thinking, straight talking
What you see ain't what you are getting Fast loving, slow moving
No rhythm but I'm grooving
Old feeling, new beginning
Superficial expectations Look at me, you can take it all
Because this face is free
Maybe next time use your eyes and look at me
I'm a drama queen if that's your thing
Baby, I can even do reality That's me
Ha, ha, ha, ha Sometimes I don't recognize my own face
I look inside my eyes and find disgrace
My little white lies tell a story
I see it all, it has no glory Look at me, you can take it all
Because this face is free
Maybe next time use your eyes and look at me
I'm a drama queen if that's your thing
Baby, I can even do reality Come on and look at me
This face is free, I'm your fantasy
So who'd you wanna be, not what you see
I'm a drama queen if that's your thing
Come on and look at me, I'm your fantasy
This face is free
