# Are You Single

## Aurra

Ooooh I wanna know
Are you single?
Won't you tell me baby

Are you single?
Are you available for me?
Won't you tell me baby, are you
Are you single?
Available for me to see

Well now my curiosity is taking control of me
I want you to know, uh
And I wonder if we have any possibilities to be, a tell me so
Ho oh, hmm
Now from what I can see
You seem to be just what I been searching for, hey (just what I been searching for)
Hoping as the night goes on
Communication will be strong
I wanna know much more about you baby
Are you single?

I've been watching the way you move
Baby you're so smooth (Oh I like the way you move yeah)
When I see you dancing across the floor (uh-huh)
I know you're what I'm looking for (just what I been looking for)
The vibes I'm picking up from you tells me (hey)
That you're looking for someone too (are you looking baby?)
My intuition tells me that you're single (hmm)
I'd like to mingle if you're all alone tonight

Oh I wanna know are you single?
Are you single?
Are you single?
Are you single?
Oh
Are you single?
Oh, ugh
Are you single?
Are you available for me? (now tell me baby, alright)
Are you single?

Available for me to see? (Well I noticed intuition sounds familiar to you baby, yeah)

Men approach you all the time
There's only one thing on their minds
Yes I know, that the reason for your hesitation (dismissed by you, yeah)
Just let them live up to your expectation, my dear, hmmm no
Are you single?

I've been watching the way you move
Baby you're so smooth (girl I like the way you move yeah, yeah)
When I see you dancing across the floor (hmm, hmm)
I know you're what I'm looking for (know you're what I'm looking for)
The vibes I'm picking up from you tells me (uh they tell me)
That you're looking for someone too (know you're looking baby)
My intuition tells me that you're single
I'd like to mingle if you're all alone tonight (Yeah)

Are you single?
Are you single tonight?
Are you single?
Are you single tonight? (tonight)

(GUITAR SOLO)

I've been watching the way you move
Baby you're so smooth (I like the way you move yeah, yeah)
When I see you dancing across the floor
I know you're what I'm looking for (ooh later yeah)
The vibes I'm picking up from you tells me
That you're looking for someone too
My intuition tells me that you're single

Are you available?
Are you single?
Are you single tonight (tonight)
Are you single?
Are you available?
