Phoenix

Frozen Plasma

Hope is a saviour
On battlegrounds
Never a failure
Beyond all bounds
Hope ever flies up
High over all
High over all

Hope is a brother
You comprehend
Never another
Half such a friend
Coming so gentle-wise
Within your heart
Within your heart

There's a secret spot
Where your dreams may go
Where your doubts are not
Where dreams thrive and grow
Keep within your heart

A sheltered place apart
It's the calm that lies
In disillusioned eyes

Spite of all sadness
Your doubts and your pain
Hope is your gladness
Your power and gain
Hope ever flies up
High over all
High over all

Nations were founded
And kingdoms fall through
Peoples were haunted
Racial subdued
But hope is a saviour
On battlegrounds

On battlegrounds.
