

# Easy to Love

**Patricia Barber**

You'd be so easy to love  
So easy to idolize, all others above  
So worth the yearning for  
So worth keeping the home fires burning for  
We'd be so grand at the game  
So carefree together that it's  
It does seem a shame  
That you can't see your future with me  
'Cause you'd be oh so easy to love  
We'd be so grand at the game  
So carefree together that  
It does seem a shame  
That you can't see your future with me  
'Cause you'd be oh so easy to love
