# This I Swear

## Tyrone Davis

If you can't depend
On no one else
And youre trying to make it through life
All by yourselfLook to me, I'll be there
I'll come to your aid no matter where
I'll treat you good, I'll be fair
Give you good loving always, this I swear
Feel so good about it, babySaid, if life's ups and downs
Are too much for you to stand
And you search so long in vain
For that helping handLook to me, I'm the one
'Cause life without love sure ain't no fun
I'll treat you good, I'll be fair
Give you good loving always, this I swear
Feel so good about it, babyOh, I love you, I love you, I love you
I love you, I love you, baby
Everyday of my life, I love you more
And more and more each daySaid, if life's ups and downs
Are too much for you to stand
And you search so long in vain
For that helping handLook to me, I'm the one
'Cause life without love sure ain't no fun
I'll treat you good, I'll be fair
Give you good loving always, this I swear
Feel so good about it, babyOh, I love you, I love you, I love you
I love you, I love you, baby
Everyday of my life, I love you more
And more and more each dayCan't keep from loving you
No, no, this I swear, baby
Oh, I love you
Can't keep from loving you, noI love you, I love you, I love you
I love you, I love you, baby
More and more and more and more
And more each day, honey, I do love youPlay this song
Play this song for me, play it
Can't keep from loving you
Baby, this I swear
