Someone (Alternate Version)

Earshot

And if you could make up
For every single time you lied
I'd probably whisper this
Hello, goodbye
And so it begins again
Harder each and every time
I start to reminisce
I never seem to ever findSomeone I can trust
Someone I believe
Someone who will never try
To bring me to my knees
Someday I will find again
Someone just like me
Someone who will take the time
In understanding meAnd if I could make up
For every single tear you cried
I'd probably never miss
Your hand in mine
I never could understand
Mistakes I repeat again
I've been through this so many times
Never seem to ever findI've stopped searching
To take my time and completely clear my head
I believe it was meant to be
And I feel it's time to go
