

# One of God's Better People

Robbie Williams

You're one of God's better people  
And you don't know  
That's why you're special  
And I cry so I can talk like this  
From my downbeat existence  
And I know that you can make my wish  
If my wish is pure But I don't know  
I just don't know  
I don't know  
Let me love you so  
Now I can't live this without you  
I'd die without you  
Without you, without you You're one of God's better people  
And you don't know  
That's why you're special  
It must hurt to see your favourite man  
Lose himself again and again  
And I know that you're my only friend  
From way back when My wish was pure  
It was oh, so pure  
It was pure  
I couldn't love you more  
Now I can't live this without you  
I'd die without you  
Without you  
Now I can't live this without you  
I'd die without you  
Without you, without you And everybody's going to step aside  
As you spread your wings and you will fly  
And take me to the other side where they know 'Cos I don't know no more  
I just don't know no more  
I don't know  
Let me love you so  
Now I can't live this without you  
I'd die without you  
Without you  
Now I can't live this without you  
I'd die without you  
Without you, without you You're one of God's better people

And you don't know  
That's why you're special
