

# Happy People

## Little Big Town

Happy people don't cheat  
Happy people don't lie  
They don't judge, or hold a grudge, don't criticize  
Happy people don't hate  
Happy people don't steal  
'Cause all the hurt sure ain't worth all the guilt they feel  
If you want another secret  
Can't back out, or make it  
You ain't ever gonna be it  
By takin' someone else's away  
Never take it for granted  
You don't have to understand it  
Here's to whatever puts a smile on your face  
Whatever makes you happy people  
Happy people don't fail  
Happy people just learn  
Don't think that we're above the push and shove  
They just wait their turn  
They always got a hand, or a dollar to spare  
Know the golden rule, what you're goin' through  
Even if they never been there  
If you want another secret  
Can't back out, or make it  
You ain't ever gonna be it  
By takin' someone else's away  
Never take it for granted  
You don't have to understand it  
Here's to whatever puts a smile on your face  
Whatever makes you happy people  
These days ain't always easy to find  
They're the ones that you want standing by your side  
No time for greed, if they need some, give them some slack  
And we'll all be happy people  
Well life is short  
And love is rare  
And we all deserve to be happy while we're here
