

# Fix Me

## Tim Bowman Jr

I want you to fix me lord  
Ohhh lord fix me  
Ohhh lord fix me  
Ohhh lord fix me  
Fix me jesus fix me Listen to a story  
About a situation  
Some drama with a lady  
She was threw to the ground 'cause she was messing around  
But all her accuser  
They all have a something  
Jesus looked up at them and said you all got your sins  
She knew that this would be the moment that her sins  
Would be forgiven she said:  
Ohhh lord fix me  
Ohhh lord fix me  
Ohhh lord fix me  
Fix me jesus fix me  
Can I tell ma story (tell your story)  
I was in a situation  
I could search for money  
It was looking funny  
Couldn't see my way through  
And every bill it was due  
Then I look back and wonder  
Just how i made it over and now i'm just defying  
He has always provided from the top to the bottom  
He's the answer to the problem Ohhh lord fix me  
Ohhh lord fix me  
Ohhh lord fix me  
Fix me jesus fix me  
Can we keep it real talk  
We all got our situation  
some need a healer  
Some got the healer  
Somebody's family need a miracle for all the stuff they going through  
But the devil is a liar  
Your are an overcomer  
You can take this from me you got help on the way  
There's a blessing with your name on it

Put your claim up believe believe believe believe

And cry Ohh lord, i'm in need

I want you to fix me lord

Ohhh lord fix me fix me

Fix me lord

I really need you

I'm in need (i need you like a river needs water)

Ohhh lord fix me fix me

Ohh lord (i tried it on my own)

Ohh lord, i'm in need

Ohhh lord fix me fix me

Ohh lord, i'm in need
