

Shake Me Like A Monkey

Dave Matthews & Tim Reynolds

The thing I like about you
Is the way you
The way that you do
The thing I like about you
God or the Devil alone
Could not have made you up
The two must have worked
As one together
So good just wanna eat you up
Nothing like the real thing
Lick your sticky fingers boy
And sing for your dinner sing
Come on pretty baby
Make me lose my mind
Everybody get together
Gonna make love shine
[Chorus]
Do you know what it is
To feel the light of love inside you
And all the darkness falls away
If you feel the way I feel
Then I believe we have the answer
I've been searching for tonight
Love me baby, love me baby
Shake me like a monkey, baby
Forever I'm yours, yours, yours
Yeah forever I am
I, I, I
Can't stop thinking 'bout you
Yeah Yeah Yeah
Why would I want to
I like my coffee
With toast and jelly
But I'd rather be licking
From your back to your belly
I, I, I
Think that I'm going to
[Chorus]
Cigarettes and coffee

Broken hearts and being lonely
Little girls and ponies
Things that go together
Yes and no
You have to choose
Romeo and Juliet
The hangman and his noose
You and me we go good together
Kiss, kiss make a wish
Hope that it comes true
I ain't waiting for the world to change
Gonna change the world for you
Come on pretty baby
Make you lose your mind
Everybody get together
Gonna make love shine
[Chorus]
Come on everybody
Make me lose my mind
Everybody get together
Gonna make love shine.
