

Nothing Going On

Clawfinger

I've been around the world I've got a hit in the charts
I've become quite famous But I ain't got no heart
I've got expensive clothes and lots of money to waste
I've got the luxury lifestyle but I ain't got no taste Nothing going on nothing going on
I've got a whole lot of nothing
Nothing going on I know all the right people, I've got the perfect smile
I've got the worlds best timing, but I ain't got no style
I've got a great big mansion, I've got a beautiful wife
I've got a black rolls royce, but I've got no life Nothing going on nothing going on
I've got a whole lot of nothing
Nothing going on
Nothing going on
Nothing going right, nothing going wrong
I've got a whole lot of nothing
Nothing going on
Nothing going on nothing going on
I've got a whole lot of nothing
Nothing going on I've got a personal trainer, I ride a limousine
I've got a big bank account, but I ain't got no dreams
I've got a private plane, the best of everything
I've got a lifestyle to live, but no message to sing Nothing going on nothing going on
I've got a whole lot of nothing
Nothing going on
Nothing going on
Nothing going right, nothing going wrong
I've got a whole lot of nothing
Nothing going on
Nothing going on nothing going I've got a whole lot of nothing
Nothing going on
Nothing going on
Nothing going on
