

C'Mon Everybody

Sex Pistols

"C'mon Everybody" Well c'mon everybody and let's get together tonight
I got some money in my jeans
And I'm really gonna spend it right
Well I've been doin' my homework all week long
Now to have some fifty and my folk are gone
Ooh! C'mon everybody Oh well, my baby's number one
But I'm gonna dance with three or four
And the house will be shakin' from the bare feet
A-stampin' on the floor Well when you here the music, you can't still
If your brother won't rock, your sister will
Ooh! C'mon everybody
