

Throwback

Usher

Real talk
Usher, just blaze, you know Oh
Oh ho
You gonna want me back
The last words she said to me
Now I'm wishing she was still here with me (you know your gonna need me)
And now that day's here, ya man gotta shed tears (you gonna want me back) You never miss a good thing 'til it
leaves ya
Finally I realized that I need ya
I want ya back
Baby girl I need ya back
Gotta have ya back, babe
Heartbroken when you left my world
Man I wish I would've kept my girl
I love you
I don't know what I'm goin' do without my baby It's driving me crazy (it's driving me crazy)
'Cause I'm missing my baby (missing my baby)
I'm goin' out of my mind and I'm runnin' out of time
Oh I just wish I could find you, girl
Said I'm about to go crazy (about to go crazy)
'Cause I been needin' you lately (needing you lately)
I'm goin' outta my head and all the things that I said
I wish that I never said them now Aww baby
What you say now?
(Your gonna want me back)
And still I want you, want you, want you, want you, want you
Need ya babe If I could rewind the time
And get inside ya mind
I would take back all my words
I didn't see it, I couldn't see what I was doin' babe
See baby girl I was blind
And I wish that I could try
To be the man that you deserve
Give me one chance to make it work Oh, baby, it's driving me crazy (it's driving me crazy)
'Cause I'm missing my baby (missing my baby)
I'm goin' out of my mind and I'm runnin' out of time
Oh I just wish I could find you, girl
Said I'm about to go crazy (about to go crazy)
'Cause I been needin' you lately (needing you lately)

I'm goin' outta my head and all the things that I said
I wish that I never said them now(Mmm you gonna want me back)
Wish I could throw it back
I want it the way it use to be (you're gonna need me)
Oh, oh (Mmm you're gonna want me back)
Give me chance to make it workIt's driving me crazy (it's driving me crazy)
'Cause I'm missing my baby (missing my baby)
I'm goin' outta my mind and I'm runnin' outta time
Oh I wish I could find you girl
Said I'm about to go crazy (about to go crazy)
'Cause I been needin' you lately (needing you lately)
The love of my life but I wasn't loving you right babyIt's driving me crazy (it's driving me crazy)
'Cause I'm missing my baby (missing my baby)
I'm goin' outta my mind and I'm runnin' outta time
I just wish I could find you girl
Said I'm about to go crazy (about to go crazy)
'Cause I been needin' you lately (needing you lately)
I'm goin' outta my head and all the things that I said
I wish that I never said them now(You're gonna want me back)
It's the last words she said to me
Now I'm wishing she was still here with me (you're gonna need me, need me one day)
And that day's here
And ya man gotta shed tears (you're gonna want me back)
I'm sittin' by the phone
Realizing she ain't ever coming home
