

Digging Your Scene

The Blow Monkeys

I just got your message, baby
So sad to see you fade away...
What in the world is this feeling, catch a breath and leave me reeling?
It'll get you in the end, it's God's revenge! Oh, I know I should come clean,
But I prefer to deceive
Everyday I walk alone and pray that God won't see me
I know it's wrong, I know it's wrong, Tell me, why is it I'm digging your scene?
I know I'll die, baby They put you in a home to fill in
But I wouldn't call that living
I'm like a boy among men, I'd like a permanent friend
I'd like to think that I was just myself again Oh, tell me, why is it I'm digging your scene?
I know I'll die, baby I just got your message, baby
So sad to see you fade away
I'm like a boy among men, I'd like a permanent friend
Well, I'd like to think that I was just myself again Oh, tell me, why is it I'm digging your scene?
I know I'll die, baby Oh, tell me, why is it I'm digging your scene?
I know I'll die, baby Oh, come on, baby
Oh, come on, baby
