Timebomb

Snuff

Sad bag of cliches sitting on a timbbomb
Ask Nerys Hughes, it's a very short fuse
Go find Alfie, ask about the road rage
Odds on it's kicking off somewhere near youGo ask Skippy we're slipping on a cliche
Ask the Pope, woah, uah, uah
Go ask Ian, we're sitting on a timebomb
Odds on it's kicking off somehere near youGo ask Ian, woah, uah, uah
Go ask Skippy, woah, uah, uah
Go ask my mum, woah, uah, uah
Odds on it's kicking off somewhere near you
