THOUGHTS Words and Music by Margo Guryan Meeting you

Holding hands
Making love
No demands
Playing games
Lying too
Growing bored (ho-hum)
And leaving you Running around
(Had to keep on runnin')
Being unkind
(Couldn't help it)
Hurting inside
Changing my mind
(Changing my mind) Thinking hard
Wanting you
Coming home
Feeling new
Climb the stair
Open the door
You're not there
Anymore
Empty room
Lots of tears
Call your name
No one hears me
(Nobody hears)
No one hears me
