## Evans The Death

Real men never give  
To people living on the streets.  
They've got it all for themselves  
And I try so very hard but it's always there when I close my eyes and  
I'll never be anyone else. Never be anyone else. Never be anyone else. Never be anyone else. I don't know what  
I want,  
I don't know what I need,  
Will my shoes make me bleed?  
So? I don't care anyway.  
And I've tried so very hard but it's always there when I close my eyes  
And I'll never be anyone else. Never be anyone else. Never be anyone else. Never be anyone else. Never be  
anyone else (never be anyone else)  
Never be anyone else (never be anyone else)  
Never be anyone else (never be anyone else)  
Never be anyone else. I'll never be anyone else. Never be anyone else. Never be anyone else. Never be anyone  
else.
