

I Will Always Return (End Title)

Bryan Adams

I hear the wind call your name
It calls me back home again
It sparks up the fire
A flame that still burns
Oh, it's to you
I'll always return
Yeah I still feel your breath on my skin
I hear your voice deep within
The sound of my lover
A feeling so strong
It's to you
I'll always belong Now I know it's true, yeah
My every road leads to you
And in the hour of darkness darlin'
Your light gets me through Wanna swim in your river
Be warmed by your sun
Bathe in your waters
'Cause you are the one
I can't stand the distance
I can't dream alone
I can't wait to see you
Yes, I'm on my way home Oh, I hear the wind call your name
The sound that leads me home again
It sparks up the fire
A flame that still burns
Oh, it's to you
I will always return Wanna swim in your river
Be warmed by your sun
Bathe in your waters
'Cause you are the one
I can't stand the distance
I can't dream alone
I can't wait to see you
Yes, I'm on my way home
Oh, I hear the wind call your name
It sends me back home again
It sparks up the fire
A flame that still burns
Yeah, I'm on my way

I will always return
Yes, I will always return
I see every sun set
And with all that I've learned, oh
It's to you, I will always
Always return
