Satisfied

Jesse James Dupree

Oh I get the feeling
When I see you coming
The feelin' comes
It's plain to see

I get the feeling
When I see you running
You saw the feeling coming over me
Oh what you do, what you do to me

Oh it ain't enough
Satisfied
I am never satisfied
Satisfied

Can't get enough good lovin'
Lord knows I try
I say now
In the morning when I'm feeling funky

Got your heartbeat next to mine
You nave ring has grown a tad bit crusty
But it's your soul I want to shine, yea
Oh what you do, what you do for me

Oh it ain't enough
Satisfied
I am never satisfied
Satisfied

Can't get enough good lovin'
Lord know I try I said
Satisfied
I am never satisfied

Satisfied
Can't get enough good lovin'
Lord knows I've tried
I've tried, yea

Whooah
I am never satisfied
1,2,3,4
Satisfied

I am never satisfied
Satisfied
Can't get enough good lovin'
Lord knows I try

I said now
I am never satisfied
Satisfied
Can't get enough good lovin'

Lord knows I tried
Satisfied
Can't get enough good lovin'
Lord knows I've tried, I've said yea

Lord knows, lord knows, I've tried
I've said yea
I am never satisfied
Whoa, I am never satisfied

Whoa, I am never satisfied, whoa
I'm never satisfied
Whoa, no
