Live Your Dreams

Athena Cage

Here's the chance of life, get ready, set, fly high.
Above the fear of your mind, go for it.
It's hit or miss, too late for you to quit.
You gotta show 'em how bad you really want this, so...Live your dreams, it's not as hard as it may seem.
You gotta work to get the cream
on you're hopes you must lean,
From your fears, you have to ween yourself.
It's all or nothing, give your everything...Are what you believe, you got to bring the heat.
Set the pace, competition take the lead.
This is it, all eyes on you.
So stay on point and prove,
that you deserve whats long overdue.Live your dreams, it's not as hard as it may seem.
You gotta work to get the cream
on you're hopes you must lean,
From your fears, you have to ween yourself.
It's all or nothing, give your everything...My heart is still recovering,
From the heartbreak of another kind,
I'm still drying my tears.
Getting over my own fears in my life.
So I wanna make sure this time that I'm strong enough,
To give it my all...Live your dreams, it's not as hard as it may seem.
You gotta work to get the cream
on you're hopes you must lean,
From your fears, you have to ween yourself.
It's all or nothing, give your everything...Live your dreams, it's not as hard as it may seem.
You gotta work to get the cream
on you're hopes you must lean,
From your fears, you have to ween yourself.
It's all or nothing, give your everything...Live your dreams, it's not as hard as it may seem.
You gotta work get the cream
on you're hopes you must lean,
From your fears, you have to ween yourself.
It's all or nothing, give your everything...You gotta live your dreams,
So don't you be afraid.
Just set the pace, and take the lead,
It's your time to shine. please believe...
