

Aint No Sunshine

Al Green

Standing by the highway
Just waiting in the rain
Standing by the highway
Just waiting in the rain October sun is shining
These tears they cause the pain
It simply make up
Only just to break up, oh baby And that ain't no fun to me
I said it ain't no fun to me
Leaving you, it sure ain't no fun to me, babe
I said leaving you, sure ain't no fun to me, baby I believe in you
And I would like what you do to me
Baby, you make me feel like a brand new man
Oh, baby, another time I could say I'll take the love and affection
Wherever I can, baby
Now that's no fun to me, let me see it
That's no fun to me, baby You got me standing here waiting
You got me standing here waiting
I really, really, I don't mind waiting
If I told you it ain't no fun to me
I want you know, it ain't no fun to me, baby Cause sometimes I have to sit down
I think about it
Just sit down, think about it
It ain't no fun to me, baby Sometimes I feel like leaving you, baby
I don't mind leaving you, baby
But it ain't no fun to me, no, no, no
But it ain't no fun to me
