I Fought the Law

The Crickets

A-breakin' rocks in the hot sun
I fought the law and the law won
I fought the law and the law wonI miss my baby and a good fun
I fought the law and the law won
I fought the law and the law wonI left my baby and I feel so bad
Guess my race is run
She's the best girl that I've ever had
I fought the law and the law won
I fought the law and the law wonA-robbin' people with the zip gun
I fought the law and the law won
I fought the law and the law wonI needed money 'cause I had none
I fought the law and the law won
I fought the law and the law wonI left my baby and I feel so bad
Guess my race is run
She's the best girl that I've ever had
I fought the law and the law won
I fought the law and the law won
