Almost Blue

Everything But the Girl

Almost blue, almost doing things we used to do
There's a boy here and he's almost you
Almost all the things that your eyes once promised
I see in his too, now your eyes are red from cryingAlmost blue, flirting with this disaster became me
It named me as the fool who only aimed to beAlmost blue, it's almost touching, it will almost do
There is a part of me that's always true, always
Not all good things come to an end now it is only a chosen few
I've seen such an unhappy coupleAlmost me, almost you, almost blue
