

Mother Earth (radio version)

Within Temptation

Birds and butterflies
Rivers and mountains she creates
But you'll never know
The next move she'll make You can try
But it is useless to ask why
Cannot control her
She goes her own way She rules until the end of time
She gives and she takes
She rules until the end of time
She goes her own way
With every breath
And all the choices that we make
We are only passing through
On her way I find my strength
Believing that your soul lives on
Until the end of time
I'll carry it with me She rules until the end of time
She gives and she takes
She rules until the end of time
She goes her own way Once you will know my dear
You don't have to fear (you don't have to fear)
A new beginning (beginning)
Always start at the end
Once you will know my dear
You don't have to fear Until the end of time
(Until the end of time)
Until the end of time
(Until the end of time)
Until the end of time
She goes her way! She rules until the end of time
She gives and she takes
She rules until the end of time
Until the end of time
Until the end of time
She goes her way!
