

# Tattered & Torn

## Slipknot

Kill Me  
Something aches  
Bad things slither  
My floors are burning down  
And I can't find a window This is medieval  
This is cerebral  
Suffocated  
Melodramatic Driven to the verge of  
I make you my enemy  
The nerves you sever  
Can serve you better In the blink of an eye  
In the space of a second  
Open my wrists  
Give me my lessons
