

# Love Can Build a Bridge

[Christy Nockels](#)

Id gladly walk across the desert  
With no shoes upon my feet  
To share with you the last bite  
Of bread I had to eatI would swim out to save you  
In your sea of broken dreams  
When all your hopes are sinking  
Let me show you what love meansLove can build a bridge  
Between your heart and mine  
Love can build a bridge  
Dont you think its time?  
Dont you think its time?I would whisper love so loudly  
Every heart could understand  
That love and only love  
Can join the tribes of manI would give my hearts desire  
So that you might see  
The first step is to realize  
That it all begins with you and meWhen we stand together  
Its our finest hour  
We can do anything, anything  
Keep believing in the power
