Unstoppable God

Elevation Worship

Faithful in the waiting You are
Always faithful in the valley You are
Faithful in the midst of hurt and pain
You are faithful

Your promises remain
Forever and ever
You won't fade away
You never, You never change
You're unchanging God
You will never change
You're unchanging God

Mighty in the battle You are
Always with me, You're the God who overcomes
Mighty You will raise me from the grave
You are mighty

Your promises remain
Forever and ever
You won't fade away
You never, You never change
You're unchanging God
You will never change
You're unchanging God

Oceans will rise,
Kingdoms will fall
But the word of the Lord stands forever
The sun will start to fade,
The world will pass away
But the word of the Lord stands forever
And the death will try to come
The perfect love is won
Cause the word of the Lord stands forever
The word of the Lord stands forever
Forever

Your promises remain
Forever and ever

You won't fade away
You never, You never change
You're unchanging God
You will never change
You're unchanging God
You will never change
You're unchanging God

Your kingdom is forever
Your love will last forever
All glory, all honor
Unto our God forever
