

Slow Show (live)

The National

Standing at the punch table, swallowing punch
Can't pay attention to the sound of anyone
A little more stupid, a little more scared
Every minute, more unprepared I made a mistake in my life today
Everything I love gets lost in the drawers
I want to start over, I want to be winning
Way out of sync from the beginning I wanna hurry home to you
Put on a slow, dumb show for you and crack you up
So you can put a blue ribbon on my brain
God, I'm very, very frightened, I'll overdo it Looking for somewhere to stand and stay
I leaned on the wall and the wall leaned away
Can I get a minute of not being nervous
And not thinking of my dick? My leg is sparkles, my leg is pins
I better get my shit together, better gather my shit in
You could drive a car through my head in five minutes
From one side of it to the other I wanna hurry home to you
Put on a slow, dumb show for you and crack you up
So you can put a blue ribbon on my brain
God, I'm very, very frightened, I'll overdo it You know I dreamed about you
For twenty-nine years before I saw you
You know I dreamed about you
I missed you for, for twenty-nine years You know I dreamed about you
For twenty-nine years before I saw you
You know I dreamed about you
I missed you for, for twenty-nine years
