

Stay (Acoustic)

Little Big Town

How can I bear to wake up and you're not there
What will I do when I turn and reach for you
I lay my tears on the windowsill
I'll only cry till I get over you
But how long will it take me
Won't you save me

[Chorus]

Stay just a little bit longer
Till I'm a little bit stronger to take all this and
Stay just a little more time
Till I can find a way
Please stay

Will I ever smile again when losing my best friend
To wonder where, wonder how, wonder what you're doing
One more night just before you break me
Hold me safely

[Chorus]

So I'll be a big girl and close my eyes
As you walk away don't you say goodbye
God save me, please won't you

[Chorus]
