Stay

Plain White T's

My heavy heart in my empty hands
My heavy head just don't understand
I walk around, keep on wondering
Do you want, do you want me
I thought maybe you would stick around
But I should've known you would let me down
A heartbreaker when the lights go out
Do you want, do you want me
Love me, just love me
The way I love you
Love me, just love me
Can't help but love you
Love me, just love me
You know you wanna
Love me, just love me
So why don't you just
Stay
Stay
Why don't you just
Stay
Stay
I don't know why I just can't move on
It's like my mind won't believe you're gone
And now your words linger on and on
Do you want, do you want me
Now you'll become another sad song
Just another girl that did me wrong
Maybe you'll hear it and you'll come back home
Do you want, do you want me
Love me, just love me
The way I love you
Love me, just love me
Can't help but love you
Love me, just love me
You know you wanna
Love me, just love me
So why don't you just
Stay
Stay

Why don't you just
Stay
Stay
Nobody ever hurt me
Walked away and desert me like you
Why don't you stay and love me
I will always be in love with you
Love me, just love me
The way I love you
Love me, just love me
Can't help but love you
Love me, just love me
You know you wanna
Love me, just love me
So why don't you just
Stay
Stay
Why don't you just
Stay
Stay
Why don't you just
Stay
Stay
Why don't you just
Stay
Stay
Stay (Love me, just love me
The way I love you)
Stay (Love me, just love me
Can't help but love you)
Stay (Love me, just love me
You know you wanna)
Stay (Love me, just love me
So why don't you just)
Stay
