For The Nights I Can't Remember

Hedley

I see it in the way you would do
When no one else could ever get through
Holding back till I come around
Time and time again you wait for me to come in
And did you really look my way?
'Cause no one could have seen this coming
I would never let you down
If I was running backwards in full time
So I can and I will
And you'll see your hero come running
Over and over tonight
And I do wanna love you
If you see me running back
And I do wanna try
'Cause if falling for you girl is crazy
Then I'm going out of my mind
So hold back your tears this time
Me, I'm used to being tired and bloody
But you believed that I could be somebody
You put your world on hold for me
Gave away to follow failure through the fire
I need you to know I will
Believe me, girl, I'm so tired of running
I just wanna hold your hand
Stare at you like you've got everything I need
And I can, so I will
And you'll see your hero come running
Over and over tonight
And I do wanna love you
If you see me running back
And I do wanna try
'Cause if falling for you girl is crazy
Then I'm going out of my mind
So hold back your tears this time
And what if I never said to you I was dynamite?
And what if I never told you I'm afraid to cry?
What if I never let you down and said
I'm sorry for the nights I can't remember?
What if I never said to you I would try?!

And I do wanna love you
See me running back
And I do wanna try
Because if falling for you girl is crazy
Then I'm going out of my mind
So hold back your tears this time, yeah!
And I do wanna love you
And I do wanna try
Because if falling for you girl is crazy
Then I'm going out of my mind
So hold back your tears this time, yeah
Hold back your tears this time, oh, oh
