

Every Day Will Be Like a Holiday

William Bell

Everyday will be like a holiday
When my baby, when my baby comes home

Now he's been gone
for such a long time
ever since he's been gone,
he been on my mind

I got a letter today,
just about noon
he said, "Don't worry baby, I'll be home soon"

Everyday will be like a holiday
When my baby, when my baby comes home

He said not to worry
about sitting by the phone
soon I'll be home baby
you'll never be alone

i expect to see him, sometime today
I know my baby
he'll never go away

Everyday will be like a holiday
When my baby, when my baby comes home

Everyday will be like a holiday
When my baby, when my baby comes home
