

# In The Winter

Janis Ian

The days are okay  
I watch the TV in the afternoon  
If I get lonely  
The sound of other voices  
Other rooms are near to me, I'm not afraidThe operator  
She tells the time, it's good for a laugh  
There's always radio  
And for a dime I can talk to GodDial-a-prayer  
Are you there?  
Do you care?  
Are you there?And in the winter extra blankets for the cold  
Fix the heater, getting old  
I am wiser now, you know, and still as big a fool  
Concerning youI met your friend  
She's very nice, what can I say?  
It was an accident  
I never dreamed we'd meet again this way  
You're looking well, I'm not afraidYou have a lovely home  
Just like a picture, no, I live alone  
I found it easier  
You must remember how I never likedThe party life  
Up all night  
Lovely wife  
You have a lovely wifeAnd in the winter extra blankets for the cold  
Fix the heater, getting old  
You are with her now, I know  
I'll live alone forever, not together now
