I Love You

Bosson

Lyrics:bosson, music: bosson
Going down to the water, some time alone
Some time for my heart and soul
When I think of the moment, you shed a tear
And said I deserve much more
You must try to put some faith in yourself
I swear to God you are the best a man can get
Now and forever
Chorus:
I love you, I love you, I love you and I'll show you that it's true
I'm crazy about you
I love you, I love you, I love you and you know that it's true
I'm crazy about you
Baby I love you

We can find a solution, I know it's hard
You have to go back in time
But when you trust your emotions, then let me in
I'll give you this heart of mine
You must try to put some faith in yourself
I swear to God you are the best a man can get
Now and forever
Chorus
When you wake up in the morning, I love you
When you come home in the evening, I want you
When you are angry and shouting, I need you
When I find you with another, I love you
Chorus
