Squallor

Do me right by you
- and I'll do you right by heaven
Along the avenues
we run, run, run, run, run, run for our lives
Promise me that we will make it through. [2x]
Inside we all become so blue
Outside it's Armageddon
So all that we can do
- is run, run, run, run, run, run for our lives
Promise me that we will make it through. [2x]
If we don't I don't know what I'll do;
so promise me that we will make it through.

Don't worry baby - it's just the end of the world
Don't worry baby - don't worry ...
Do me right by you (by you, by you, ...)
No matter what may happen
Forever more and hither here onto
- we run, run, run, run, run, run, run, run, run, run, run, run, run, run, run, ...
Don't worry baby, it's just the end of the world
Don't worry baby, this place is broken and absurd
Don't worry baby, it's just the end of the world
Don't worry baby, don't worry ...
Do me right, by you
- and I'll do you right, by heaven.
