## Squallor

Do me right by you  
- and I'll do you right by heaven  
Along the avenues  
we run, run, run, run, run, run for our lives  
Promise me that we will make it through. [2x]  
Inside we all become so blue  
Outside it's Armageddon  
So all that we can do  
- is run, run, run, run, run, run for our lives  
Promise me that we will make it through. [2x]  
If we don't I don't know what I'll do;  
so promise me that we will make it through.

Don't worry baby - it's just the end of the world  
Don't worry baby - don't worry ...  
Do me right by you (by you, by you, ...)  
No matter what may happen  
Forever more and hither here onto  
- we run, run, run, run, run, run, run, run, run, run, run, run, run, run, run, ...

Don't worry baby, it's just the end of the world  
Don't worry baby, this place is broken and absurd  
Don't worry baby, it's just the end of the world  
Don't worry baby, don't worry ...  
Do me right, by you  
- and I'll do you right, by heaven.
