

Winterlong (Excerpt) & Out of My Mind (Intro)

Neil Young

I waited for you winterlong
You seem to be where I belong
It's all illusion anyway If things should ever turn out wrong
And all the love we have is gone
It won't be easy on that day Waiting to follow
Through the dream light of your way
Is not so easy for me now After time has passed your way
Things we thought of yesterday
Come back now, come back now Waiting to follow
Through the dream light of your way
Is not so easy for me now Half the time has passed away
Things we thought of yesterday
Come back now, come back now I waited for you winterlong
(You seem to be where I belong)
I waited for you winterlong
(You seem to be where I belong)
I waited for you winterlong
