Other People

Travis Garland

Now that we're through,
Don't even know who I am without you.
This bed is too big for one person.
I'm learning how to not be around you.
Now that there's no you,
I'm not allowed to car what you do.
Even if you drunk goin crazy
Or call to say you hate me,
That ain't true

Cause I just want the best for you.
Even if that don't include me.

So I won't go even if you don't want
Me to be here right now
Ain't leaving your heart with these other people.
So I' m gon' stay right here by your side.
Don't wanna control your life,
But I don't trust your heart with these other people.

Now that you're gone,
It's no reason for me here.
Now you still complain, now you went away
Don't know what I'm gon' do with all this closet space.
My shirt you used to wear,
And it still smells just like your hair from when you loved me.
It makes no sense I'm empty,
When my head is filled with memories of you,
I just can't, I just can't forget.

I just want the best for you.
And even if that don't include me.

So I won't go even if you don't want
Me to be here right now.
Ain't leaving your heart with these other people.
So I'm gon' stay right here by your side.
Don't wanna control your life,
But I don't trust your heart with these other people.

You can call me a lot of things,
But just don't call me careless.
There's a lot of men who don't give a damn at all.
Girl, you mean too much to me just for me to let you be.
It's a big world out there.
I'm sorry, yeah, I'm sorry, I don't trust just anybody
With your heart, your heart, no, no, no.

So I won't go even if you don't want
Me to be here right now.
Ain't leaving your heart with these other people.
So I'm gon' stay right here by your side.
Don't wanna control your life.
Cause I don't trust your heart with these other people.

These other people.
These other people.
I'm gon' stay.
These other people.
Control your life.
These other people.
