Speak / Listen

David Usher

Speak listen I can?t fight
I?m crumbling inside
Theses voices in my head
Are leading me on
Speak listen I got chills
These conversations kill me
I fall down at your feet
Are you leading me on
Take this love
Speak listen no more tears

There?s nothing left to fear we can?t get back again
So please don?t cry just open up your eyes
I?m not the man I used to be
We can?t get back again
Take this love
