

# Gay Bar

## Electric Six

You, I wanna take you to a gay bar  
I wanna take you to a gay bar  
I wanna take you to a gay bar  
Gay bar, gay bar Let's start a war  
Start a nuclear war  
At the gay bar  
Gay bar, gay bar At the gay bar Now tell me do you  
But do you have any money?  
I wanna spend all your money  
At the gay bar, gay bar, gay bar I've got something to put in you  
I've got something to put in you  
I've got something to put in you  
At the gay bar, gay bar, gay bar You're a superstar at the gay bar  
You're a superstar at the gay bar  
Yeah, you're a superstar at the gay bar  
You're a superstar at the gay bar  
Superstar Super, super, superstar
