Reach Up

Kid Kenobi

Got to keep moving up
Got to keep moving up
Got to keep moving up
Got to keep moving up
Got to keep moving up
For my brother
Got to keep moving up
Got to keep moving up
For my sister
Got to keep moving up
Keep on reachin?
Keep on reachin? for the sky
Keep on reachin?
Keep on reachin? for the sky

Got to keep movin?
Got to keep movin? up
Got to keep movin?
For my brother
Got to keep movin?
Got to keep movin?
For my sister
Got to keep movin?
Keep on reachin?
Keep on reachin? up
Keep on reachin? for the sky
