

I Dont Deserve You (John O Callaghan rmx)

[Paul van Dyk](#)

You're the first face that I see and the last thing I think about
You're the reason that I'm alive, you're what I can't live without
You're what I can't live without
And never give up when I'm falling apart
Your arms are always open wide
And you're quick to forgive when I make a mistake
You love me in the blink of an eye I don't deserve you now but you give it to me anyway
Can get you now, you're everything I need
And when I walk away take off running and come right out to me
It's what you do and I don't deserve you
You're the light inside my eyes, give me a reason to keep trying
Give me more than I could dream and you bring me to my knees
You bring me to my knees
Your heart is gold and how am I the one
That you've chosen to love
I still can't believe that you're right next to me
After all that I've done I don't deserve you now but you give it to me anyway
Can't get enough, you're everything I need
And when I walk away take off running and come right after me
It's what you do and I don't deserve you You're the first face that I see and the last thing I think about
You're the reason that I'm alive, you're what I can't live without
You're what I can't live without
And never give up when I'm falling apart
Your arms are always open wide
And your quick to forgive when I make a mistake
You love me in the blink of an eye
I don't deserve you now but you give it to me anyway
Can't get enough, you're everything I need
And when I walk away take off running and come right after me
It's what you do and I don't deserve you
