

# HULA HOOP

Omi

Roller skates, them lines  
Have sun, clear blue skies  
The waves are crashing by  
And when she passed me by  
And gave her wink and smile  
And I was on cloud nine  
LordThe way you move your hips  
And lick your lips  
The way you dip  
You got me up so high (Hey-ey)  
And girl you got that body  
With them curves like a Bugatti  
I just wanna drive, ohAnd girl you know  
Round and round your loving winds me up  
Like a hula, hula hoop, hula, hula hoop, oh  
Round and round your loving winds me up  
Like a hula, hula hoop, hula, hula hoop, oh  
Round and round your loving winds me up  
Like a hula, hula hoop, hula, hula hoop, oh  
Round and round your loving winds me up  
Like a hula, hula hoop, hula, hula hoop, ohAnd gravity defied  
I can't believe my eyes  
That thing can bring the tides, hey  
And round and round clockwise  
Like come here, we go right  
I wanna go all night, yesThe way you move your hips  
And lick your lips  
The way you dip  
You got me up so high, yeah (Hey-ey)  
And girl you got that body  
With them curves like a Bugatti  
I just wanna drive, ohAnd girl you know  
Round and round your loving winds me up  
Like a hula, hula hoop, hula, hula hoop, oh  
Round and round your loving winds me up  
Like a hula, hula hoop, hula, hula hoop, oh  
Round and round your loving winds me up  
Like a hula, hula hoop, hula, hula hoop, oh  
Round and round your loving winds me up

Like a hula, hula hoop, hula, hula hoop, ohLike a hula, hula hoop, hula, hula hoop, ohRound and round your  
loving winds me up

Like a hula, hula hoop, hula, hula hoop, oh  
Round and round your loving winds me up  
Like a hula, hula hoop, hula, hula hoop, oh  
Round and round your loving winds me up  
Like a hula, hula hoop, hula, hula hoop, oh
