Fighter

Jamie Grace

Seven bucks an hour
Bills stacked on the counter
Got a baby on the way, don't have to feed
His pride is gettin' torn down
His confidence is worn out
This ain't the way he dreamed that it would beBut he won't ever ask why
'Cause he's made up his mindHe's a fighter, got that fire
When they thought he'd fade away
Throws a fist up, as he gets up
Feelin' stronger everyday
When he gets down on his knees, he finds
The courage to believe
He's a fighter, he's a fighter
Who inspires meShe's got no time for makeup
'Cause she's got three boys to wake up
Never thought she'd have to raise them on her own
And some days she feels like cryin'
But she's holdin' on, survivin'
On the love that makes their little house
A homeAnd she sees it in their eyes
All the reasons why, yeahShe's a fighter, got that fire
When you thought she'd fade away
Throws a fist up, as she gets up
Feelin' stronger everyday
When she gets down on her knees, she finds the courage to believe
She's a fighter, she's a figher
Who inspires me, oohooo
She inspires me, yeahShe's been here before
And she's only eight years old
But she knows the name of every nurse she sees
And though she don't like the chemo
She waits it out, never losin' hope that
Someday soon she'll be cancer-freeShe's a fighter, got that fire
When they thought she'd fade away
Throws a fist up, keeps her head up
Feelin' stronger everyday
When she gets down on her knees, she finds the courage to believe
She's a fighter, she's a figher
Who inspires, yeah

He's a fighter, he's a fighter
Who inspires me
He inspires meYou're my inspiration, my inspiration, yeah
You're my inspiration, my inspiration, yeah
You are my inspiration, my inspiration, yeah
You're my inspiration, my inspiration, yeah
