

# Fade Away

## Yodelice

Snow has fallen on the graves  
Perfect day to fly, to flee  
No one left for me to wave  
Farewell no one to cry There was a day in this town  
When I thought I had a home  
Happy time, had a place to live  
There was a day in this town  
When I thought I'd always have  
Happy time, never have to leave Hey love, I fade away  
Hey love, I fade away Where I stand is not my land  
I'm running off the race  
No trace I may find my way around  
But where on Earth is my place There was a day in this town  
When I thought I had a home  
Happy time, had a place to live  
There was a day in this town  
When I thought I'd always have  
Happy time, never have to leave Hey love, I fade away  
Hey love, I fade away Hey love, I fade away  
Hey love, I fade away  
Hey love, I fade away  
Hey love, I fade away
