Soakin Wet

Peezy

That pussy sloppy wet and its smacking too. I hit it wit no condom I was lackin too. I ate the pussy she ain't have to ask me to. That shit be tasting better than my favorite food. She make a nigga cum fast I call it touch and bust. I got a bitch at home she got me fuckin up. Gone head bend it over girl touch yo toes. I'm digging all in it tryna touch the guts. The way she ride the dick it got a nigga Mia in. I fell asleep in that pussy stayed til the mornin. Got her legs pinned back it ain't nowhere to run. Bend that ass over girl its time to have some fun. Yeah that pussy good and its soakin wet. Bend it over baby throw it back. The way she ride a nigga got me getting attached. The way she ride a nigga I might get attacked. Bend it over gone throw it back. I say bend it over gone throw it back. That pussy taste like water and its soakin wet. The way she fuck a nigga I might get attached. This bitch so bad I'm thinkin about getting attached. She got me second strokin thinkin about getting attached. I'm paying for that pussy might give her a rack. I hope her man ain't thinkin about getting her back. I fucked a lot of hoes but they don't compare. Should hear the shit she saying when her legs in the air. I stuck it in so deep she damn near shed a tear. I say you want me to take it out she said don't go nowhere. She grabbed me by the hips and pulled me deeper in it. I had to tell my nigga I couldn't keep a secret. I ain't gone lie that pussy hittin like some pieces. Whoever end up with the bitch he better keep her. The pussy good and its soakin wet. Bend it over baby throw it back. The way she ridin a nigga got me getting attached. The way she ride a nigga I might get attacked. Bend it over gone throw it back I say bend it over gone throw it back. That pussy taste like water and its soakin wet. The way she ride a nigga I might get attached.
